

2011-2012 Crystal Loaner Application

Dear Event Coordinator,

CREATE would like to thank you for your time in helping inspire and prepare today's youth toward careers in engineering, science and technology. We are happy to help with a crystal loaner program. Pending availability we will ship via UPS, at our cost, a competition crystal set to any VRC event organizer. We do ask that you bear the cost of shipping the set back to us within 48 hours of the conclusion of your tournament so we can help as many other events as possible. We would also ask that you ship using either UPS or FedEx. We will accept and process applications on a first come, first served basis.
