General Information

- The TT open is designed to be a low key fun competition for teams of ANY age that want to try their hand at Triangle Triumph.
- This event is limited to 15 teams.
- TT Open is open to any team of any age group. Perhaps you just missed qualifying for Nationals and would just like to be part of the fun. You are welcome to join us. Perhaps you are an adult or group of adults that wants to build a robot and compete. You are welcome as well.
- All Triangle Triumph rules apply except for the following modifications.
 - Only one team will take the field at a time. There are no alliances.
 - Cortex and PIC controllers and associated equipment are legal.
 - There will be an optional 20 second autonomous to start the match.

Rankings/Awards

- Ranking is determined by a team's cumulative score through match play.
- The number of matches for each team will be dictated by the number of teams that participate.
- The highest ranked team at the end of match play will be crowned the Champion.
- Only a Champion Trophy will be awarded as this is intended to be just for fun.
- In the case of a tie the highest individual score is used as a tie breaker. (This will continue until the tie is broken.)
