12:40PM-2:00PM	Matches/Finals
2:10PM-2:40PM	Closing Ceremony and Awards
2:50PM	Venue Closes

#### Matches/Finals

- Ranking is determined by a team's cumulative score through round robin alliance play. In the case of a tie the highest individual score is used as a tie breaker. (This will continue until the tie is broken.) Team rankings are used to determine alliance groupings for the finals.
- Finals will consist of 5 matches. High alliance score determines the champion.
